Find Your Life's Work and
Stand Out From the Crowd

@dancumberland
theMeaningMovement.com

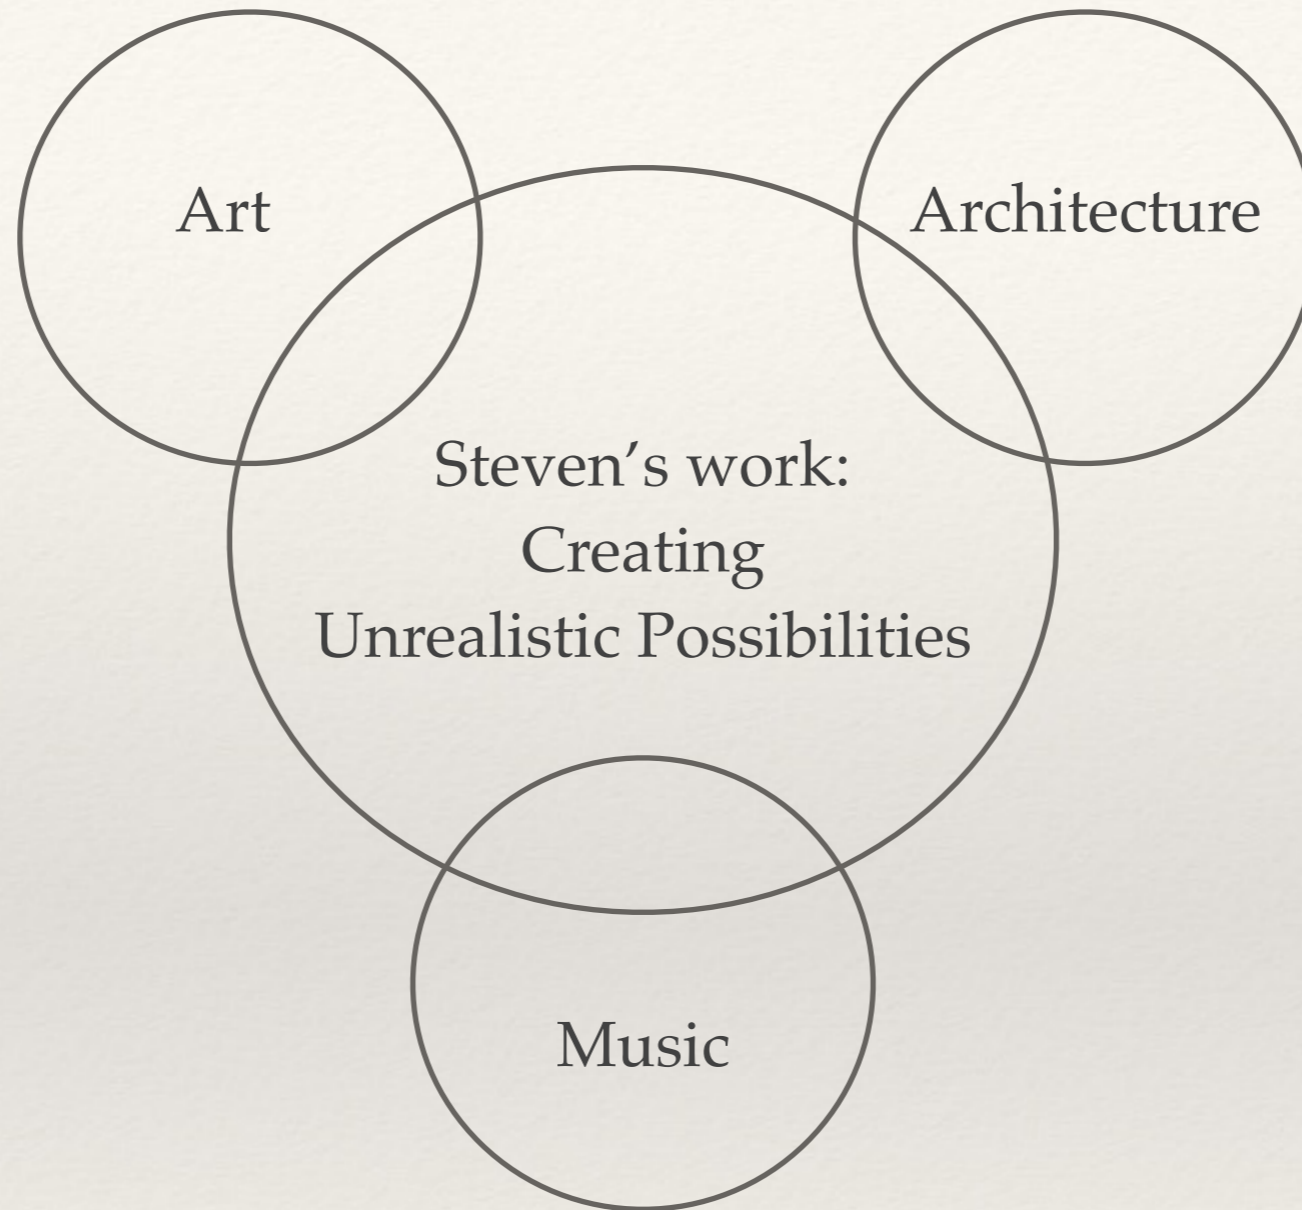

Knowing where you're going
changes everything.

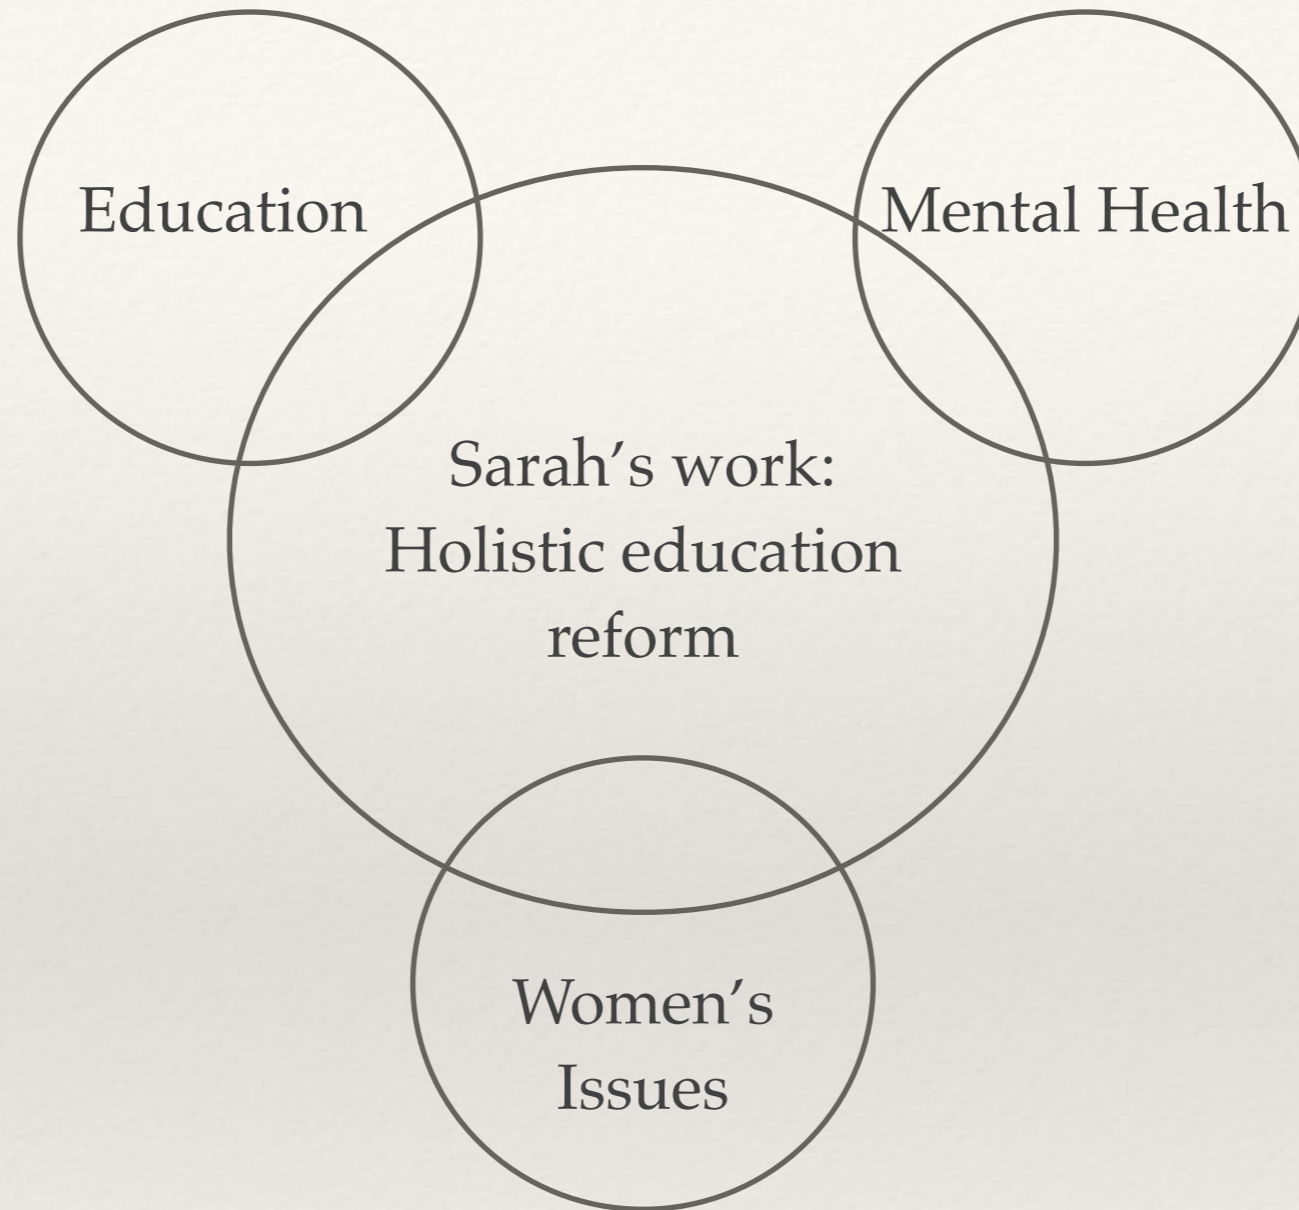

Foundations to How We Understand Meaning

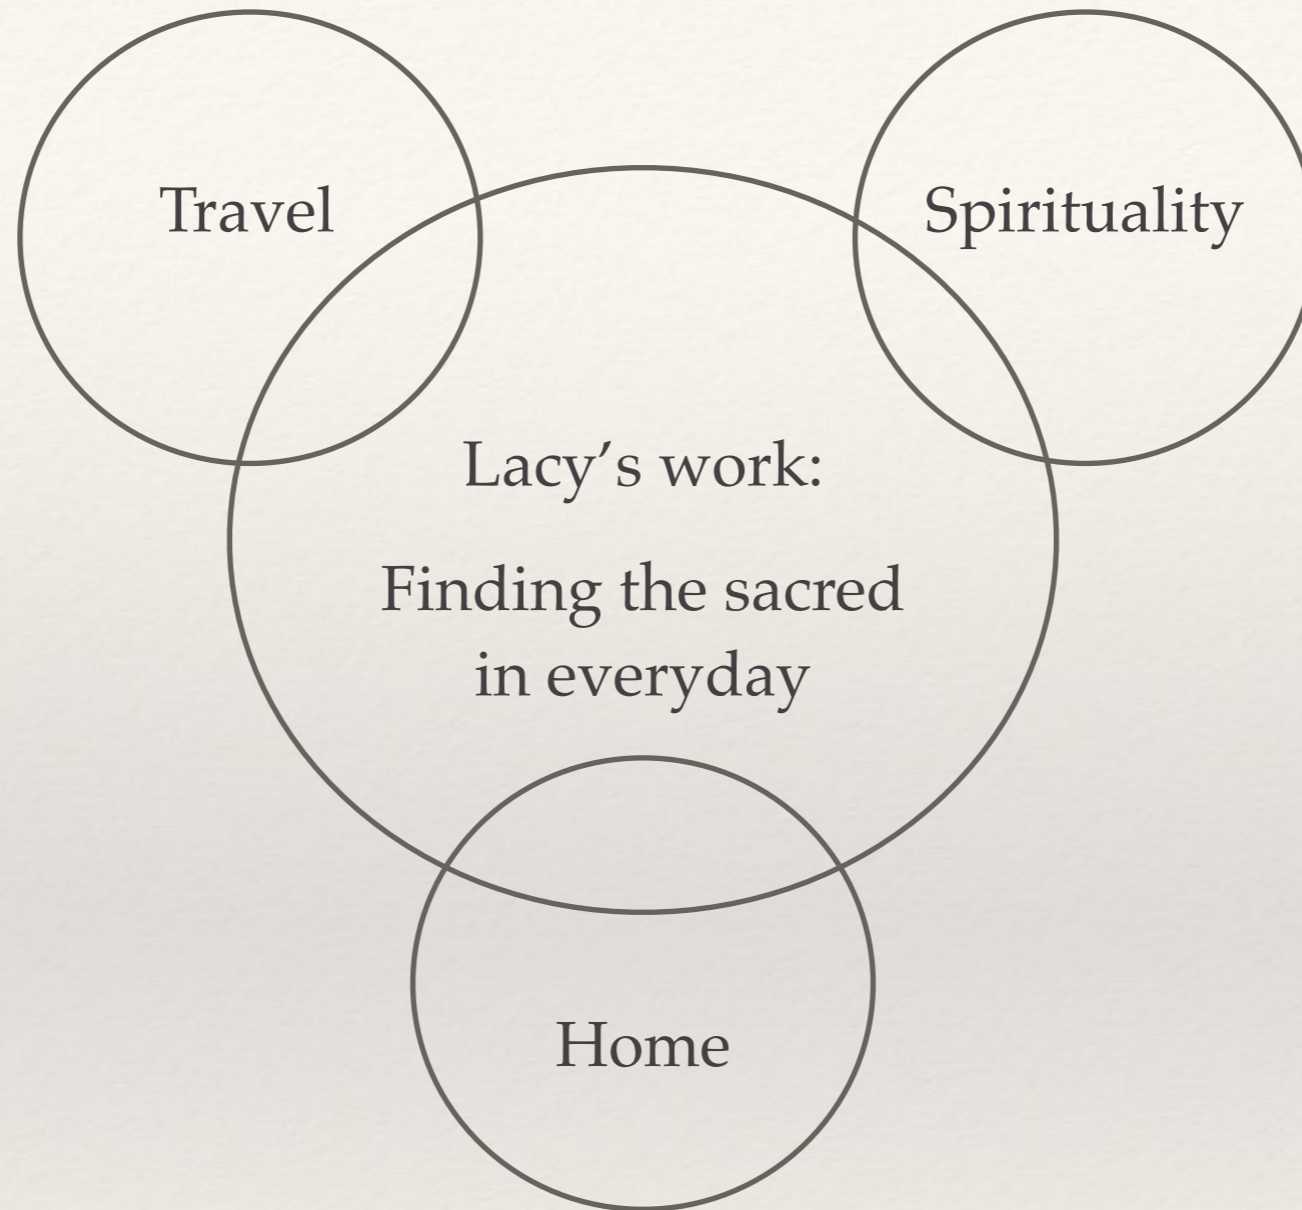

- ❖ Your self identity is a story.
- ❖ Your past shapes your future. Your future shapes your present.
- ❖ Language shapes your experience.

How to Find Your Life's Work

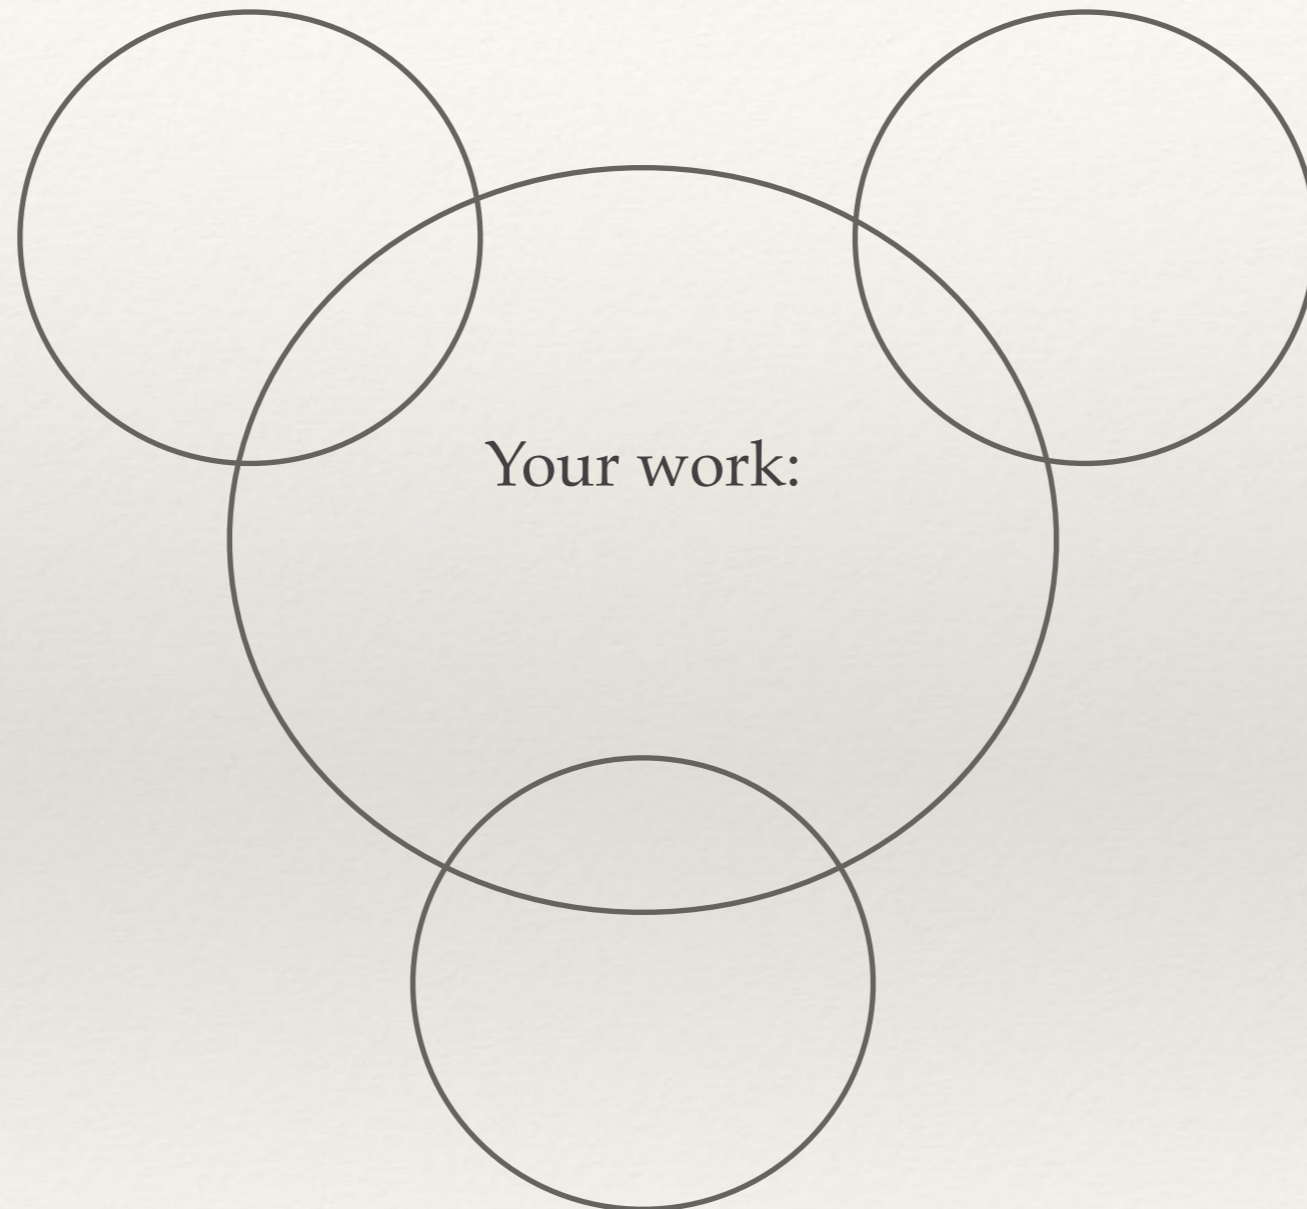

1. Define what has been meaningful in the past.
2. Find (and put language to) themes.
3. Craft a statement of your life's work.

What's your diagram?

How to Find Your Life's Work

1. Define what has been meaningful in the past.
2. Find (and put language to) themes.
3. Craft a statement of your life's work.

How can I help you?
